OPC Guidelines

Help us keep our building clean by bringing inside shoes everytime you come for an activity, and we ask you not to leave them, but to take them with you when you leave. This will help keep the entrance free and clear of clutter.

When you arrived to the centre, please announce yourself to staff so they have an accurate count of people in the building, and also let them know when you are leaving.

Please be aware that the hallway and offices by the new washrooms are for staff only and are off limits.

Thank you for your cooperation!

Indoor Soccer fun!!!
