

Peer Meetings

Join your peers and collaborate as a group to discuss what is working well, what you think could be improved on, what activities or events you would like to see take place, and share ideas on how to fund raise as a group to subsidize events or activities that are too expensive for most people.

There is SO much to discuss and decide upon. This is your chance to be heard and influence future calendars - don't miss it!

See The Scoop for dates and times.
Can't wait to see you there!
